Transport Facility Details

The school provides a **safe and reliable transport facility** for students to commute from different routes and nearby areas. The transport system is managed as per safety norms and guidelines.

Key Features:

- School buses cover major routes as per demand and feasibility
- All buses are operated by trained and licensed drivers
- Each bus has an attendant/helper for student safety
- Speed limits and safety rules are strictly followed
- Transport facility is optional and subject to seat availability

Parents are advised to contact the **school transport office** for route details, timings, and transport charges.

The school ensures maximum care and safety of students during transportation.
